

The Personal History, Adventures, Experiences & Observations of Peter Leroy: A Serial Novel, Vol. 2, No. 1: "The Fox and the Clam" by Eric Kraft (Apple-wood Books): Matthew Barber is a world-weary five-year-old who believes "we are all . . . tired, confused, miserable." Peter Leroy isn't: even getting kidnapped on the first day of school by a vicious bus driver and missing the chocolate chip cookies waiting for him at home doesn't get *Peter* down. These two charming child heroes battle out their opposing viewpoints on life in Kraft's very adult story. Every word of Kraft's is to the purpose: bright, light, satirical, fun. A quick read leaves you eager for the next installment—in total, four a year, for as long as Peter Leroy draws breath. All are available for \$4.95 (paperback) from Apple-wood Books, Box 2870, Cambridge, MA 02139. Also available in bookstores and by subscription (\$16/year).
